Looking to Make a Buck?

The Indiana SWCD Foundation seeks an SWCD interested in selling a perennial seed blend for whitetail deer.

Representatives of
Lucky Buck Perfect

Perennial Seed Blend expressed an interest in partnering with SWCDs to sell their product. SWCDs will directly earn cash for local programs, and for each bag of seed sold, Lucky Buck will donate to the SWCD's endowment.

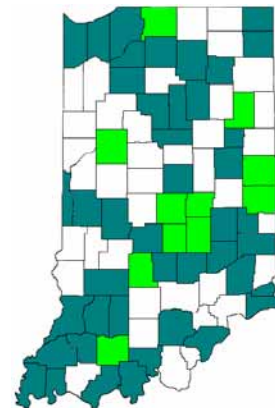

If this partnership proves successful for the local districts, the Indiana SWCD Foundation will promote it across the state. Interested? Contact christa-jones@nacdn.net

New Customers, New Partners

Regular contributions to your endowment lead to sustained financial return.

Try this with your tree sales program...Identify local groups that have a special interest in tree planting, such as lake associations, watershed councils, parks departments, birdwatchers, garden clubs, FFA, etc. Let them know the SWCD sells native trees. Ask the group to help promote your SWCD tree sales.

These new partners can bring new customers. Adopt Woody Warehouse as your wholesaler, and for each tree sold, Woody Warehouse will donate one dollar to your Indiana SWCD Foundation endowment.

\$50,000 a Good Start

Indiana SWCD Foundation assets recently hit the \$50,000 mark.

To reach our goal of providing a permanent, stable funding source for SWCDs, we must continue to grow. This starts with the participation of each SWCD.

If your SWCD does not have an endowment, contact a Foundation board member to start one. If your endowment has not grown in a while, it's time to develop a local business partnership to generate a steady stream of private donations.

With a little work now, your Indiana SWCD Foundation endowment will provide financial support later. Contact a Foundation board member for more information.

Boost Your Tree Sales For Win-Win-Win

Adopt Woody Warehouse Nursery as your tree sales program wholesaler and everyone wins.

Your SWCD earns cash to support local programs.

Your Indiana SWCD Foundation endowment grows when Woody Warehouse donates one dollar to your endowment for every tree you sell.

All SWCDs with endowments benefit from the growth of Indiana SWCD Foundation assets. The more money we invest, the more resources all SWCDs will have available in the future. To find out more about this program, contact a Foundation board member.
